

## Easy does it!

- Wicken Fen is an important nature reserve, so please consider the wildlife at all times.
- Wear footwear and clothes suitable for the weather.
- Carry water and maybe a snack.
- Watch out for ditches and Lodes.
- Keep an eye out for minor hazards such as uneven ground, dog mess and nettles.
- Close gates behind you to keep livestock safe.
- Wash your hands when you get back.

## Mystery Number Trail

Find the 12 locations marked on the map.  
At each location read the question and look  
around you to find the mystery number!

The route is circular and about 3 miles  
in total. It should take you around  
1.5 hours if you keep moving!

#45 Find  
your  
way with  
a map

**Wicken Fen**

Loved for the biggest skies  
and the tiniest creatures.

	Every question can be answered with a number...	Answer
1	How many oak leaves on the sign?	
2	What is the cycle path number?	
3	How many letters in the name of this part of the nature reserve?	
4	How many ponies in the picture?	
5	How many doors in MOTHER... ?	
6	How many letters in the man's name?	
7	How many red rectangles above the entry to the car park?	
8	How far would you cycle on the route from Wicken to Bottisham?	
9	How many rungs on the cattle grid?	
10	What number is hidden in the tree?	
11	How many horizontal bars on the gate?	
12	How many legs does the hidden animal have?	
	Add up all your answers and write the total here	

**Remember, the locations are all on footpaths so if you find yourself straying from the path think again!**
